A3 is a Dutch hip-hop artist with a raw, personal style and a strong instinct for storytelling. He combines his own experience with a direct way of telling it, which makes his tracks feel both personal and relatable.

A3 drew attention with the emotional track “Letter to Chuchu”, a personal tribute working through the loss of someone close to him. The track shows a different side of him and underlines his ability to translate personal events into music.

Alongside his solo work, A3 is part of GET LOOSE UNITY, a collective where different artists and sounds come together. Within the collective he keeps his own identity and musical style audible.

A3 is currently working on his own EP, opening a new phase in his career, while steadily working on new music and upcoming releases. The coming period is about new tracks, further development and widening his own sound.

A3 stands for authenticity, emotion and a story of his own. With his personal lyrics, versatile sound and strong presence within GET LOOSE UNITY, he brings an identity of his own to a track and to the stage alike.
