Spotify

L.A Santana is a versatile artist from The Hague who has been carving out her own musical path since 2018. With her energy, her stage presence and a sound of her own, she has become a name to watch in the Dutch urban scene.

Her music is as varied as her personality. L.A Santana moves effortlessly between different sounds within hip-hop and urban, pairing personal stories and experiences with a contemporary production. That combination makes her music feel familiar and fresh at once.

Her talent did not go unnoticed. In 2023 she was selected as one of six participants in FunX Talent: Rap, cementing her place among a new generation of Dutch hip-hop artists. FunX described her as an artist with serious ambition, an energetic performance and a mix of attitude, talent and determination.

Alongside FunX Talent, L.A Santana has built a wide-ranging catalogue over recent years with singles including “K.O”, “Loco”, “Day and Night”, “Ei Kwijt”, “Wil Je Bij Me”, “Dummy” and “HoodBi$H”. Her most recent releases show an artist who keeps developing and is willing to explore new directions.

On stage is where L.A Santana comes into her own. Her energy, presence and direct way of performing pull an audience in and set a strong atmosphere.

L.A Santana stands for energy, individuality and ambition — an artist unafraid to combine sounds and reinvent herself, ready to build the next chapter both on and off the stage.
